Hey Bossman,

Jackie at Bryan's plant called to confirm your order request of 50 Seagrape trees. They are in the process of tagging plants and sorting flowers for shipping next week

Would you like to continue with 50 Seagrapes or would you like to get 100 Seagrapes?

They have 125 Seagrapes in stock

Please advise,
Ann R.

= will remind you that there is a shortage of plant material and what is available right now might not be available tomorrow. As you can see the sizes are going down it seems daily.

If you have any other questions please let me know.

Thanks.

Hello,

I just heard back on the 45 gallon seagrape bushes. The nursery that had them just stepped them up to 65 gallon pots a couple weeks ago. With that said they also raised their price on them. They are 9-10ft tall and \$50 more expensive.
