Jeffrey

Dave is on Vacation starting Friday,

I'll fly the Paris trip with Chip on Saturday then airline back to N= for GIV test flight now scheduled for July 25th., Chip was planning to fly his girl friend Holly Van Heemst to Paris who is a G=Ifstream pilot for pegasus air charter in VanNuys CA., she is off until Jul= 30th from her present job at pegasus.

She has just completed GV Type rating, she has 1000 hours in GIV, and 200 ho=rs in G5/550 and 300 Hours in G450. Good coPilot.,

If you need to fly during your stay in Paris, would you approve her to fly w=th Chip? Until I return after GIV test flights? She would stay with Chip, we wouldn't have to pay her unless you fly=

Is this ok?

Thx  
Larry
