Dear Jeffrey,

Thanks for this. There's a good article about Merlin's work with mycorrhizal fungi in  
tropical forests in the New Yorker here

We are about to go off to the island in western Canada where we habitually spend our  
summers. Merlin will be staying on in London until the end of the month then coming out there too.

I'm copying this to Merlin so that you can be in touch direct by email.

All the best

Rupert
