How would you feel about =his:

I'll just schedule a time for them to talk to my "ue diligence advisor/team". You can phone in and ask whatever you lik=, under a pseudonym (even just first name, not last name). You can open wi=h something like, "Hi this is Jeff, I'm helping Jeremy check out =hat you're planning to do with Layer One and make sure it's going =o be a good investment for Deploy Capital. Can I dive right in to question=?"

I think that should be fine, and is not inaccurate, just=imprecise.

If you did want to video them it's a bit more co=licated, but I can come up with something.

Hi Jeffrey,

I talked with Vincenzo about this and we agreed the abo=e line would be inconspicuous enough.

If you do want to talk to a po=ential investment directly, I can just say that you are a strategic LP and=you wanted to talk, which should dilute their concern and explain why you =anted to talk.

I'd like your guidance & approval in case=Vincenzo and I missed something with this plan.
