Dear Jeffrey,

Below is from a= agent I really like. He sources people for Related , Thierry Despont, Meye= Davis (and according to him a lot of AD 100 designers and architects and P=nto (when I asked about Europe)). I dont know how it works this way around t=ough, sourcing business for client as opposed to employee for business. If y=u have specific direction I can meet with him.

Below is what he said when I rea=hed out to him for architects.

Yes, we represent a number of=architects. Ranging from boutique hospitality to large corporates. I imagin= the most important thing to be able to make determination would be to unde=stand the aesthetic direction they want to take the project. If it's not ab=ut aesthetics and they're just seeking an Architect of Record to stamp and s=al construction documents, I know people who do that as well. <=r>

Give me a call if time affords. I'll be available until 8pm if you're only able to ring after work.

Regards,

Ruben

Dear Rubin,

I have another question which I would like to ask you. A friend of mine is looking for an architect. It is for a very large scale residential project but due to the size of the property and the sophistication of the client I tend to think of it more as very small luxury boutique hospitality. Do you represent any architects?

Thank you and warmest regards,

[REDACTED]
