Good =vening Luis

attached Photo of =loor Damage in the Master Bathroom

As discussed, it =ppears there is a issue with the finish on the floors of the master =athroom.
Especially close the main shower. The owner =as only in residence for less than 48 hrs and already the floor
finish =s showing sign of moisture absorption.

The owner is concerned the floors in general, =id not receive the correct finish, as per the Palm Beach =ouses.

Please =dvise,
