Attached Photo's of Existing Ranch 2007 Bikes and 2015 Mule

The 2015 Kawasaki Mule has a continuing issue with its cooling system

It has been to two different Dealers over the past two years and the issue keeps occurring.

This time the dealer is recommending pulling the head on the engine at an estimated cost between \$1500.00 to \$3000.00, Verbal.

Secondly

The Ranches 2007 ATV x 2 also need replacing, would you be open to handing down your Polaris Bikes and Purchase New Bikes for you and your guests.

<=r>

If so, would propose we trade Existing mule and bikes for you and your guests, new mule for Ranch

Can we proceed as proposed?
