Dear Jeffrey

We could thank you in person, or hug you to say goodbye

In any case, thanks for having us at dinner and showing us around the fabulous mansion

When are you coming back to Paris?

Also, thanks for your help on the Chicago leg, Tom Pritzker's assistant has=been kind and helpful

xoxo

Jack, Monique, Sebastien and Etienne

PS: I hope there was nothing wrong with your ticket/seats, I had to talk to=some people before the show, and lost you from sight
