Conspiracy theorist Alex Jones threatened special counsel =obert Mueller during a Monday episode of his InfoWars show, miming a =hooting and saying he would "die trying" to take Mueller down.

Jones began by making =nfounded claims about Mueller and Jeffrey Epstein, who was convicted of =olicitation of a minor for prostitution in 2008.

"That's the thing, is like, once it's Mueller, =everyone's so scared of Mueller, they'd let Mueller rape kids in front =f people, which he did," Jones said. "I mean, Mueller covered up for a =ecade for Epstein kidnapping kids, flying them on sex planes, some kids =s young as seven years old reportedly, with big perverts raping them to =rame people."

Jones made =epeated shooting gestures as he closed out the rant.

"It's not a joke. It's not a =ame. It's the real world. Politically. You're going to get it, or I'm =oing to die trying, b*tch," Jones concluded. "Get ready. We're going to =ang heads. We're going to bang heads."
