Hi Jeff

Earlier this evening I've got several angry calls from our Ministry=of Foreign Affairs and the Border control and Immigration authorities rega=ding Sultan, 'your Arab businessman', as they call h=m.

These are, in our region, extremely rigid authorities.

When it occurred early afternoon IL time, it immediately reached the Genera= Director of the Ministry. And created a lot of embarrassment. IL is not a=prison, and Sultan is a guest. But CANNOT Leave without noticing anyone an= expect to be admitted back as if that's his homeland.

I plan to meet him, Nili set a meeting, but you probably can note him to be=more cautious. I of course told them not to blow it beyond proportions, bu= promised them they won't be surprised again.

Best
