That is scary - sepsis. Dealing with the aftermath of a hurricane is always more challenging than the hurricane itself.=C2 With respect to electricity, the new schedule is to have the territory's electricity restored by January 31, 2018. I really don't know for internet because that responsibility is with private ISPs.

Hi Jeffrey:

Sorry to hear progress has been slow on the islands.=C2 I have been issuing repair and maintenance request for CZM throughout the territory within 2 days of the application being deemed complete. The last I heard, you were working on submitting the request. Do you know if the application was submitted.

Hope your staff that went to PR are doing better.=/u>
