I read half of it on shore. Got on a sailboat and now moored in=an isolated cove and there is no wi-fi on the boat.

= will read the whole item later, I think the Me Too fanatics think you got=a pass. If Charlie Rose and Matt Lauer had the opportunity to serve time i= prison and allowed to get back their lives....you would have just been a =ioneer.

The Me Too crazies want blood and dea=h. It is a barbaric over reaction to behavior that just ran it's =ourse. Instead of celebrating change, these women want to punish. T=ey are not forwarding a new generation of change by destroying men in publ=c.

I had conversations with you to give back.= Did you ever set up scholarships?

Help woman's health? Care for single mothers? Anything? = That would make you a hero. This the furthest thing from Char=ie Rose and Matt Lauer's minds. Can you imagine if Brett Rattner did anyth=ng constructive for women?

Your timing in life=was lucky. If this happened today, the media would have destroyed you. &nb=p;

Woody has a serious career problem. Amazon =s sitting on a good film of his. He should write under a different n=me and sell his scripts. He is probably in denial and writing anyway.. His=work is so identifiable, I don't think he can sell it. He can write=a book...

<=div>

Anyway....you have managed to=keep a low profile outside the States. Do not know how Emily Smith got tha= story, but will ask Ian Mohr, my friend on Page Six.

Will send more after the sail. Patmos is very cool. Lot's of bohem=an European royals. Mountainous mysterious island and sea so beautiful.

xoxo Peggy
