Subject: Re: LSJ Tower & WIFI

Good day all

Earl was able to review the equipment at the lsj tower, gym and 5 palms as well as GSJ. He reported that the equipment need to be realigned and that the=rukus radios at 5 palms need to be replaced.

He believes he can possible get the dragonwave link to st.thomas operational=to provide internet in a two week once he and his crew address bovoni tower= The fiber will take a lot longer it was badly damage on the st.thomas side=

He states he has all the parts needed to get lsj up and running.

Regards
Jruan
