Hi, I'm chasing on the =essage below to ask, for a very brief news item in Nature:

> Can you =onfirm whether the non-renewal of your contract as director of the =rigins Project was related to the allegations of harassment as reported =y BuzzFeed earlier this year?

> Do you have =ny additional response to various allegations in the BuzzFeed =rticle beyond your response of March 7 of this year? Did you, in =act, give unwanted sexual attention to the women described in the =rticle?

I'd need to hear from you today, August 6, in order to =ncorporate any information into our news brief. Thank you.

Hi, I'm writing a very short item (a 100-word brief) for *Nature*'s news section about the change in leadership at the Origins Project. Can you confirm whether the non-renewal of your contract, as you described yesterday on Twitter, was related to the allegations of harassment as reported by BuzzFeed earlier this year?

Thanks for any information.
