I hadn't realized that the c=nflict discussed in connection with Gene's proposal extending to pursu=ng the matter of the
apparent disappearance of these funds. If Bainc= continues to refuse to provide information, I will then have to pursue
ot=er methods.

That's curious. Could you write again, and=if he doesn't respond quickly we'll have to think about further ac=ion. That's a lot of money to just disappear.

Dear Sam,<=>

Noam has requested that =e look into a discrepancy on his behalf regarding a RMD distribution made =n January 22, 2015 in the amount of \$187,000. He states that he has been unable to determine where these funds went. =n your records, it shows this distribution was made to the Noam Chomsky Re=ocable Trust and then subsequently wired to his checking account. No=m states that a deposit was made into his checking account on that date in the amount of \$70,000, but not the full a=ount. We can also see from your records that distributions totalling=\$150,000 were made from the Noam Chomsky Revocable Trust during the period=of January 26,2015 – February 4, 2015, which may account for some of these funds, but not the total, and none of =hese distributions show a wire/deposit into the checking account. We=are unable to go any further in our investigation as we have no other reco=ds to check.

Please let me know with whom on your team I can coordinate to look into this matter so that we can provide Noam with full detail into the disbursements associated with the \$187,000 RMD. Thank you, in advance, for your assistance.

Warm regards,

Deborah
