Jeffrey,

Ref, Air conditioner on helicopter,

The air Cycle machine, "ACM" would have to be sent to Bell for bench testing, checking efficiency, tolerances and performance,

Outright price for a new unit from BELL is \$238k,,, Dave Burch located an overhauled ACM for \$65,759 as well, exchange.

I will confirm turn time of ACM testing if we send ours out ,.

Thx, Larry

Larry,

I will work on seeing if we can still procure the overhauled ACM as I believe that unit was around \$65K outright, the price on a new unit from Bell is \$38,248 outright...
