Jeffrey

I have seen the airlines issuing travel advisories a couple o= days in advance to cover themselves for Weather Delays recently,

My satellite picture doesn't paint extreme weather fronts moving thru P=I or LGA, only typical late afternoon thunderstorms, which could affect inbound or outbound airline to/from PBI-NY area airports, there is a cluster of Wx by Pittsburgh moving east bound that could affect LaGuardia , does travel would be in the morning.

=aGuardia is only forecasting 60% afternoon thunderstorms, and PBI is showin= 40% afternoon thunderstorm activity,

It's only a guess, b=t late afternoon travel on Sunday could pose airline delays,

But in my opinion I think they should be OK,, with slight delays,
