Good Morning Anna,

I hope all is well. I am reaching out on the status of Little St. James and see if you have any future construction going on? Custom Builders is firing on all cylinders with projects for the next 12-14 months but will have a large crew that we can dedicate to LSJ after our projects at Mahogany Run and East Cowpet come to a close.

We had priced the Maintenance Facility and some work between the hurricanes, I was curious if there will be work available out there to bid in that time frame?

Thank you,
