Good Evening

Gilbert Luna, Universal Construction com=any are mobilizing there equipment this week, they are on schedule to star= Road Prep next week. They needed to start earlier than Sept, due to the B=tch plant providing material will be relocating in Oct

He indicated they would be startin= at the Z and move down towards RC.

I have requested they start at the fork in the Road w=ere the Up and Down Roads meet instead, this would allow you clear access =o the Main House.

Is this OK?
