Sir, I'm sorry to bother you. But There are some things which a=e weird for me:

- 1- We actually don't=have [REDACTED] phone number. The number which she uses in WhatsApp is=her " Brother's number". My iPhone message came to h=m. So she didn't give us her actual cell.
- 2- she told that [REDACTED] can't=80t wait to meet you. So, [REDACTED] even forces to introduce her to you tomo=row night.
- 3- They traveled to Miami an= LA together both of the trips.
- 4- they will live in [REDACTED] a= the villa together.
- 5- Most of the [REDACTED] friend's in NY are guys.&nb=p;

It's not my business=

But I think they are profess=onals. And work as a team.

As I can see through Instagr=m; [REDACTED] is 100% worker.
