Hello dear Jeffrey ,  
I do not want to seem impolite as I did not answer your last=message.  
Therefore, Im writing to give you an upda=e of what has happened since our last meeting, as we have not seen each ot=er ever since.

As I came home [REDACTED] noticed slap marks on my ass and reacted very suspicious about it and, in=fact, very cold towards me ever since. Moreover, on the very next day I go= [REDACTED]  
[REDACTED]  
[REDACTED].

I did not want to disappoint you with these things I have been experienc=ng in past weeks, as our plan was that I behave extremely well and got the=deal.

I can't have pressu=e and rush up things with [REDACTED] and I hope you can support me there , as we=have been working for it so hard, not to be screwed up in the last phase.<=div>

I feel emotionally drained , and i= you don't mind I would love to go to [REDACTED] for a week to see my=family . But all of them can meet me end of August beg. of sept .

Also [REDACTED] has planed many little trips in =ugust and I don't want to make him feel upset and that I'm=ruining everything.

And I can ass=re you that as soon as I have any news, you will be the first to get them.=/div>

How are you doing ?
