I completely understand your frustration.

Let me confirm on drawings and other questions with Michael.

Can we talk this afternoon?

I will call you today. What is a good time. I am in Patmos.

Have some quick questions. What did she originally want? Is all the work I am paying for complete. Do I get the drawings of the design work that I am paying for...what about the shoddy work. Yes, I want to get rid of her asap...but I want to get the last drop of water out of the stone. Peggy.

I still feel that no one was looking when I stupidly signed a contract in good faith and I have gotten royally screwed out of money I worked so hard for. This is a disappointment in myself I never imagined would happen. I have been robbed in front of my myopic eyes. Peggy. Let's move on. Shit happens.

Josh:

Just heard back from [REDACTED] counsel. She will not settle for \$90K. States she is holding to \$110K. I get the sense if we offer \$100K she may accept it.
