One-month LIBOR + 125. We are in negotiations to improve the terms, which might affect the rate. Even if we improve the terms, unclear what the rate will be. We are arguing over that now. I think they want an extra 25 bps. We're offering 10 bps, or maybe 0.

The loan is a two year loan that keeps getting renewed. Currently matures 7/31/19. The rate formula does not change over the course of the loan.

All good here. Hope you're the same.
