██████████ loved my year 1 report to the Board - they probably won'= get back into science / no money

But they are allowing me a little flex for my second year. I have a few thin=s I will need to do but if you have any ideas...

Can shape a ████████ convening on something

Can write a report

It's small but maybe something useful can come of it =?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
