Hi Jimmy,

I attached the quote and renderings of the proposed kitchens for LSJ. I also attached our semi-custom catalog as well.

There is 3 different price option for the cabinets. The semi custom option is any door style from catalog with wood-ply cabinet boxes.

The custom option is wood-ply cabinet boxes with any door style owner choose (bead board or high gloss like main kitchen etc.). The third option is any door style with marine grade waterproof/bug proof cabinet boxes.

Please do not hesitate to contact me with any questions. Thank you for the opportunity.

Best Regards,
