Subject: Re: post asu

why not try a webinar. ? have people pay 20 dollars. see how many sign up. . . ?=C2◆ . try to lead the charge toward a rational dialogue of changing mores? scientists that realized they were wrong=C2◆ in the past. admit given new info. but are not chastised= . . history of title 9 rules? protect students?! people subordinate. . not restrict jokes. amo=gst adult. history of the gossip. ? third parties with a=endas? . . I believe the only problem to date.=C2◆ is that your answers often turn out to be misleading. wrong. o=deceitful. , so you lost in the credibility=war. and rightly so.. . ie case =aid no return to campus without permission. , and =ou argue but they invited me back. as somehow a negation of their pe=alty, the original offense.. where it is clear to anyone every=ne, that you are not dealing with the issue. !◆=A0 so anything you say from then on , is considered unbelievable

thinking about options pos= ASU.. besides consulting for you, which I am hoping is still an option. =C2◆

Someone has suggested a podcast, and this may be = good idea.. I can control it myself, and I still have hundreds of thousands of fans in spite of this.. I might

want to do a good one, with good equipment and maybe even video. Lots of people have been asking me for years to do this, but I told them I have a day job. </=iv>

If I don't have one, it may be a good way to both keep som= profile and raise cash.
