Jeffrey

Updated schedule received thank you,

Gulfstream ordered a Display controller for copilots glare shield,, The part was supposed to arrive today but got lost in shipping, delivery will be tomorrow afternoon at 1 PM, during troubleshooting they saw our issues and fee= fairly confident this will repair our problems,.

I also have a dermatology appointment at 3:30 PM tomorrow to get a couple stitches and some skin cancer removed in my shoulder, no big deal,.

Just heads up in case you wanted to leave tomorrow evening, \*\*\*I'll let you know when the airplane is back in service tomorrow at 6 PM.

I assume we are still planning to leave Tuesday early morning to LSJ?

Thx  
Larry
