Do you think it's worth applying Permagard to the GIV to improve the paint? Mon and Tue when the plane arrives in PBI,  
\$17,500 for the GIV

Or Should we pass?

Thx  
Larry

Hey Larry,

We put together our best price for you for the GIV. Precision is willing to perform the application at Palm Beach this weekend at a price of \$17,500.00. To be clear, this is \$3,200.00 under what would typically be charged. We very much appreciate working with you and your owner, and hopefully this will meet your expectations. Please let me know your decision, and we look forward to seeing you soon.

Best Regards
