Good morning Mike.

Yes, the project has been approved. Please forward how payment is to be made and we will get going on that.

Just to confirm, the measuring will be done on St Th=mas with the boat still in the water and in service. Let me know your sche=ule on that.

The schedule for getting the boat on the hard and yo= getting to PR for installation will be a phone call, more than likely tom=rrow. We have a bit of coordination to do on our end yet. I will let you k=ow.

Thanks,

MG.
