I understand – a shame but we are =ery grateful for the help you've already given which enabled us =o get a good way into exploration of the nature and =ffect of the light.

I hope we can remain in contact – I =oo have enjoyed my conversations with you. I look forward to =peaking to you again when I'm back in London. There are a =umber of questions in relation to the evolution of mind which =d like to discuss with you.

Peter

peter , i have great respect for you and =njoy our discussions. I have made numerous grants over the =ears and this one soley based on my realtionship with you = I have received many accountings of my =oundation money. but can say , none as poor as what was presented =y your team. If i were your team i would have made =ertain as you require serious funding that all monies are =etailed . the idea that in aug i hear that last year =here was a tax issue. . payments only made to indiv without =ocumentation, willy nilly, . I am sorry , =ou and I can speak , meeet whenever you like. your project =as reviewed after you presented me that ludicrous accounting = As Im sure you are aware , it has =ictated a clear no further funding notice. = thanks
