you MUST MUST state the facts accurately. ♦=A0 you cannot say the first time was the tabloid article= the complaint re australia was first. . try not t= parse and be clever with details. . I would also couch your comment= as I believe or it appears . stating as fact that the =ean s recommendations is grossly inappropriate. shows th= same disregard that they are accusing you of. . you attacck the jud=ment of the dean his staff and your accusers. ♦=A0 not a winning strategy. - . you have lost=the first round. attacking people is not an appeal. . go=to the law. its requirments that were not met. admit to = degree of social ineptitude. ( for discrimatino suit later ). =C2♦ talking to others about what great work you do, is=also a losing argument. they believe you do sexual things as a=matter of course. banter is not harrasment. no one compl=ined , the silliness of suggesting a comment about a girls ina=ppropriate outfit rises tto the level of a cause for termiantion of a tenur=d professor , needs to be looked at by others.
