Jeffrey

Just spoke with Wendy, she knew who I was immediately, very nice lady., It's a 1 owner Middle East plane, it's been parked st COMLux=in Indiana for 1.5 years, due to a disputed fuel tank repair between the ow=er and COMLux that was just resolved, Next week the plane will be back in service, completed a C1 check, full inte=ior removal.

Ask \$21M

It's an early serial number BBJ2

She said more photos to follow shortly, she hasn't had a chance to d= proper photos shoot yet., I'll fwd the photos when I receive them, It has only 5 aux tanks with range of 5700 miles only, to add 2 or 3 more AU= tanks is \$1.2M Should give range to 6700 like the G550 The BBJ 2 is 20' longer than the BBJ1, FYI Thx Larry
