About all your work that been un done mike has no Danny to do everything for him they wait when they know that you coming to rush everything and when everything goes wrong they blame other people parts is a big issue also

Jermain comes over everything works fine by time you get's here nothing works that mean no internet you won't stay at your own home not even your disel pump at your gas station works anymore it been out order let's see what's mike explanation

Mines is he doesn't know who to call to fix it i wonder if uno that disel pump isn't working we been using the truck to fill up your equipment

If there's anything you need to know about your island and the way it being manage and why everything thing is falling apart am willing to answer anything you ask. And my answer will be nothing but the truth and i felt so bad because of this especially knowing how honest i am to you knowing that i would be harming my self by trying to lie for Brice
