Jeffrey,

One of my best friends and most interesting people I know — Edward Saatchi=
https://en.wikipedia.org/wiki/Edward_Saatchi <https://en.wikipedia.org/wiki/Edward_Saatchi>

He won Emmy, build/sold companies, working on Fable Studio where they created VR=character with his partner (ex Pixar exec).

Young,=artistic, strong values. Terrific friend.
He is a son of Saatchi who founded that famous agency.

Happy to= intro. He's based in SF. He'd be great for the group. = =
