**Subject:** mediation

Tomorrow there's going to be a discussion with the mediator and the two sides. On the table is Vincent's proposal, more or less along the lines you know, and a proposal from the lawyer (Berman) or Max's insurance company, conceding quite a lot, but there remains a gap between the financial compensation Berman proposes and what Vincent is proposing. Will let you know how it works out.

Valeria thinks that the settlement should include providing the records (Vincent and I agree).

Hope things are going well. And still hoping that you'll find some time to visit.
