Good Afternoon Mr Epstein,

The bids are due today from the contractors, we did the walk-through last Monday. JPK is wrapping up theirs and EB sent theirs last night which I have not had a chance to review, this morning has been hectic. As soon as I can get a minute to review them I will send them out, sometime this afternoon. I do not want to send you inaccurate numbers or proposals where we get hit with change orders on the tail end of a job. Sorry I am just now responding I was in the middle of pouring 19 yards for the dock apron, which just finished 15 minutes ago. I am pouring the barge ramp by Friday barring any circumstances outside of my control. Sun dial is getting worked on now also and will be done by your arrival. Thank you.

=br>

Very Respectfully,

Kyle W Reavis
