my first draft response , is that arbitration=C2 , even if you win, , i m not sure you do. Agree think it will be a la Chinese.. I have to file another cl=im against the company and not against the shareholders to enforce the legal representative

He was convinced to win( r=ason tell u on the phone)

the fake document is a key if pro=able( Mr Wu is not very patient so he went for t=e quick solution as he never thought I would react). but =A0 the chinese protect their own. Yes we have a notary recording, and mobile recordings( mobile recordings in Ch=nese courts are valid as proof), Mr Wu is very emotional so He said too mu=h, they went against the release of the recording.. =A0 my instinct is that this needs finesse rather than a legal attack. Agree this is just a s=deshow but we had to react as they filed for the claim

those jvs made duruing the early days a=e looked at like the foreigners were trying to take advantage of the local= s did he claim you didnt produce what you p=omised, ? he asked over the yea=s from me personal guarantees which I did not provide, they claim we did not provide=any help

he is not very powerful. but he is a lo=al. correct

. unlikely a quick solution , I know but it is too large to leave it=/span>

but heavy players needed. not likely kuh=. I know but I am just a little remora, but when it comes to making powerful =friends, nothing beats a shark..

i have some ideas. can talk at your conveneinc=. . not sure if the value you got for the co. at your convenience

includes long term contracts for rent for ex a= an exorbitant price , paid to wus real estate co. =.

was your former chinese partner involved in this mes=? I do not know
