Dear Rita,

A very happy new year to you and Gus, hope all is well with both of you! I'm now well recuperated from both my broken knee and my prostate=cancer surgery.

Edward has applied for NYU for his bachelor degree, and has been wait=isted. Would it be possible for you to put in a good word for him with NYU= If so, I will ask Edward to send you an email with all the relevant infor=ation.

Mona took up her new position at the UN this week, and I am currently=in London with Emma and Edward, and next week heading for Davos for the an=ual World Economic Forum meeting, where I have been appointed chair of one=of their four regional councils.

Warmest,  
Terje
