We do want to have =ialogue however you put us in a system that never worked properly from
=he start and now you are trying to make money again...

We strongly believe that system should be replaced at your =ost which means no labor costs to
install and no markups on =aterial...

Evening Richard,

The price you quote =eems too far from my direct quote from the manufacturer but will
=nquire.

I have concerns that this is not an =pples to apples comparison. Please relay any quote
you received so we =an ensure they are the same product and KWh.

I=was also of the impression we were having a discussion.

brian,

190,000.

we spoke to the battery manufacturer and they will sell us 3 =f the same for

significant

so I suggest you =urchase them, install them and we are even..
otherwise we will file an action that will include =amages....and they are

your =hoice...
