Good day Mr. Epstein,

I am writing you to inquire if I should go to the island tomorrow Friday August 17, 2018 to take pictures being that you were here on island yesterday Wednesday August 15, 2018. My next schedule day is not until Tuesday August 21st; I do not want to keep you waiting to see any further changes that might have transpired.

Thanks.

Warmest regards,  
Cashkim.
