Again, I apologize for the delay in getting this information to you.=/u>

I have attached the two quotes you requested, as well as a brochure for each. I was able to offer a discount on each machine. A discounted price for the 5500, and free freight for the 5450.

Please let me know if you have any further questions, or if you are able to take advantage of one of these offers.

Thank you!</>
