Tesla x and s have an enviable 22 to 26% gross profit margin. Also will send the potential profit margin' on the Model = – teardown analysis suggest it could be +30%. Lastly, the energy business is projected to be larger than the automotive business. On leading edge of growing potential of that sector – no one is approaching the vision and scale inherent in that arena. Interesting fact about leader is that those around him accomplish the impossible because they witness his ethics and drive – yes sometimes also too transparent and without artifice, but that is always as a reaction to a perceived injustice or malfeasance.
