Good morning! Spent the last 12 hours in trying to figure everything out. Most of the programs start in September (more than 50 percent are in US by the way). I think Studying in Glion is very useful (moreover you advice it) and it starts in September. I'd be honored to study there . =AO During this time I can try something else . Or(I find it better)=try to understand basics of hospitality. So if I meet numbers at GLion - it won't be a problem to me (I don't want to let you down)

I put also rest management decided that somehow it could be useful (=people love food and rest)

To everything else I put massage classes . Its an intensive course mon-frid from 9am till 4

Also, Im still waiting for reply from Glion (I was asking about visa=and if there is a chance to do the student visa directly on place since I =on't need it to entry the country)

Let me k=ow what you think (if I fucked up again)

As a smal= (but not enough) apology attached pics,
my xot=est (with a strong russian h) hugs and kisses
