If I can improve anything
Or maybe I'm searching not right
I= you can give me even a small clue
Because I♦=99ve looked almost through everything .
Tell =e if I'm doing anything not good , so I'll try to fi= it and change it .
Thank you for your time=C2♦
I appreciate it so much

Good m=rning! Spent the last 12 hours in trying to figure everything out. Most of the programs start in Septem=er (more than 50 percent are in Us by the way). I think Studying in Glion is very useful (moreover you=advice it) and it starts in September. I'd be honored to study the= . During this time I can t=y something else . Or(I find it better) try to understand basics of hospit=lity. So if I meet numbers at GLion - it won't be a problem to me = I don't want to let you down)

Let me know wh=t you think (if I fucked up again)

As a small (but not enough) apology attached pics,

my xottest (with = strong russian h) hugs and kisses
