Evening Richard,

The price you quote seems too far from my direct quote from the manufacturer but will inquire.
I have concerns that this is not an apples to apples comparison. Please relay any quote you received so we can ensure they are the same product and kWh.

I was also of the impression we were having a discussion.

brian,

we spoke to the battery manufacturer and they will sell us 3 of the same for 190,000.
otherwise we will file an action that will include damages of \$80,000 and they are significant
your choice...
