Good afternoon Richard,

The following will complete our scope for our next =ispatch:

- * Recoat master bedroom and cabanas flooring with =i-gloss
- * Remove and reinstall cabana 3 bath flooring =nd resand entire space
- * Add new flooring to pool =abana
- * Coat Library floor with water base (we =ighly recommend against a wax finish due the the high =aintenance)

I was able to locate 2,500 sf of the prime Hakwood Oak =n San Fran and its my recommendation to purchase that for your =nventory.

Please reach out with any questions and I will have =ricing to you on Monday.
