Good afternoon Richard,

The following will complete our scope for our next dispatch:

- \* Recoat master bedroom and cabanas flooring with hi-gloss
- \* Remove=and reinstall cabana 3 bath flooring and resand entire space
- \* Add n=w flooring to pool cabana
- \* Coat Library floor with water base=(we highly recommend against a wax finish due the the high maintenance)

I was able to locate 2,500 sf of the prime Hakwood Oak in San Fran and=its my recommendation to purchase that for your inventory.

Please reach out with any questions and I will have pricing to you on =onday.
