Subject: Patricia Neville/ Just saw the news

Wanted to extend my condolences Jeffrey for the passing of Robin. I doubt you remember, but my first time to NY you took me to dinner with Robin. He was so genuine and kind to me, and at the end of the evening told me to "Always Wear Heels"....I never forgot that :-)) I do hope all is well with you. Still in Iowa, back at my original home and working. Funny how life can sometimes bring us full circle....

Big Hug,
Patricia
