peter , i have great respect for you and enjoy=our discussions. I have made numerous grants over the years an= this one soley based on my realtionship with you , I ha=e received many accountings of my foundation money. but =an say , none as poor as what was presented by your team. If i=were your team i would have made certain as you require serious fund=ng that all monies are detailed . the idea that in aug i=hear that last year there was a tax issue. . payments only made to i=div without documentation, willy nilly, . I =m sorry , you and I can speak , meeet whenever you like. =your project was reviewed after you presented me that ludicrous accountin= . As Im sure you are aware , it has dictate= a clear no further funding notice. . thanks=br>

Thank you for your comme=t. You say we are at an end, but scientifically we are only at an exciting=beginning. We did follow up the San Diego data and=planned a good international study with the necessary control to show an e=fect. Because you were unwilling to fund this and wanted the e=fect to be demonstrated before the study, we decided to do an off-the-cuff=study and there was a definite effect. However, a proper scientific =tudy would be the only way in which we could demonstrate this categoricall=. With the funds available (plus a further £10k) we=C2= have enough data to carry out a proper controlled trial, and shall g= ahead with this as far as we can. Could you confirm whether you fee= able to give us any further help with the project? It's dif=iclt to talk here if you want to discuss this , but I'll be=back in London on the 7th September. Thank you for =ll the help you have already given which has enabled us to get this far.
