Jeffrey,

I wanted to keep you informed:

Gulfstream PBI is changing the L/H Fuel Boost pump, it was inop when I ran t=e engines this weekend,

Also, the Nose Wheel Steering valve on all GIV's have a recall on th= valve, (there have been un-commanded full steering deflections noted on s=me early GIV's) the valve change is free by Gulfstream, We are addressing both issues this week in Palm Bch Gulfstream as preventati=e Mx.

I'll keep you posted when the GIV is return to Servise, (maybe Frida=).

Thx  
Larry
